

# New Hampshire Boxing Commission MMA and Boxing COVID-19 Protocol

## Pre-Fight COVID-19 Testing

- COVID-19 Protocols for Professional boxing in NH shall follow the following guidelines:
- All fighters and corners will be required to provide to the Commission negative COVID-19 tests, which will take place 24-48 hours prior to actual date of the fight.
- Fighters and corners that travel to the United States from another country, shall, upon arrival to the United States, be tested for COVID-19.
  - Fighters and corners will then be transported to a hotel.
  - Fighters and corners will quarantine in their rooms until test results are given (wait time: less than 12 hours).
  - Upon getting results, fighters and corners will be tested a second time for COVID-19 – this time, in their hotel rooms.
- After a second negative COVID-19 test, fighters and corners will no longer need to be quarantined, but will still be required to undergo further COVID-19 testing 24 – 48 hours prior to the event
- Any fighters or corners testing positive shall not be allowed to participate in the event.
- COVID-19 protocols for Amateur boxing in NH shall follow the guidelines set forth by USA Boxing New England and USA Boxing, the official governing body for Amateur Boxing in the United States

Any changes, modifications or exceptions shall be voted on by the Commission.
